

Visiting Analyst / Intern at Gründerfonds Ruhr

We are Gründerfonds Ruhr. As an early-stage VC based in Essen, we support founding teams from the beginning in building companies that drive innovation and change. We have a **B2B-Tech focus** and invest into **seed stage companies** that are able to solve relevant problems with their product and have the potential to become market leaders in their segment. We invest **throughout Germany with a focus on the Ruhr region**.

As a Visiting Analyst / Intern, you will be part of our investment team and will support us in

- Diving into the latest technological trends and uncovering exciting startups; create insightful reports that drive our next big investments
- Help scout and assess groundbreaking investment opportunities, from initial discovery to deep-dive analysis
- Attending important events to build our network and brand within the community

What you need to succeed

- A passion for startups, new technologies and business models
- Currently enrolled in a university in a field such as Business, Finance, Economics, Law or a technical background (i.e. engineering, medicine)
- Work/ internship experience in a dynamic and fast-paced environment (VC, PE, consulting, investment banking, or high-growth startups)
- Adaptability and flexibility to meet the needs of a fast-paced environment and a mainly remote working team
- Strong command of the English and German language
- Time commitment of at least 3 months

If you are interested in joining our team, please send your CV, your earliest entry date and your longest availability to Fabian Högbe (info@gruenderfonds-ruhr.com). Do not hesitate to get in touch with us if you have any further questions. Please note that only applications submitted via email will be considered.
